

COURSE BUILDER & EDITOR TOOL

“Take any one of our courses and edit it to fit your firm’s unique needs.”

SOLUTION OVERVIEW

At Quest CE, we understand that building your own training materials from scratch is a time-consuming process. We also recognize that vendor-provided training isn’t always as tailored to your business as you may like it to be. That’s why we offer a wide variety of off-the-shelf courses that can easily be edited directly in our system to fit the unique needs of your firm.

WHY CHOOSE US?

- Course Builder comes standard with your Quest CE purchase.
- Edit any one of our 450+ off-the-shelf e-learning courses.
- You’ll never have to wait or pay an additional fee for custom materials.
- Users receive complete access to edit everything from images to interactions.

CUSTOM CONTENT

Include content that matters most to your firm and its internal policies, procedures and risks.

UNLIMITED EDITS

Make as many updates to the course as you see fit, including changes to interactivity and images.

BRANDED COURSES

Create custom-branded courses that are reflective of your firm’s overall digital online presence.
